

# OUR GOVERNORS

## KEY PARTNERS IN VITAL CARE

The Governors’ Circle recognizes donors who have made a contribution of \$250 or more in the past year. Our **Governors** are vitally important to the Montreal General Hospital Foundation. Some have been donors for more than 25 and even 50 years! Their generosity and loyalty have allowed us to provide targeted care to the community, to attract world renowned medical practitioners and to support innovation through our medical teams.

“ Investing in healthcare has always been an important priority for my family. We are fortunate to have some of the leading researchers and medical teams at the Montreal General Hospital and it’s our community’s responsibility to help ensure that they have what they need to deliver crucial health services. The Foundation, under its new CODE LiFE emblem, does just that - helping us as donors direct our dollars to where they are most needed. ”

– NANCY WELLS

We wish to extend our sincere thanks to all our Governors for their donations to CODE LiFE: The Montreal General Hospital Foundation.
